The spring 2005 registration and drop/add period for undergraduates will begin on November 12 and continue through January 26, 2005 at 11:00 p.m.

Registration/Degree Audits

Undergraduates will need their passwords and a 4-digit access code to register. Access codes and registration appointment times are printed on the Registration Information/Degree Audit form.

Appointments are scheduled from 8:00 a.m. until 5:00 p.m. and are based on class year. You may not register before your appointment time, but you may register at anytime thereafter. After registering, print out a copy of your courses for your records.

If the information on your Degree Audit is not accurate, contact your Academic Recorder. Their names, telephone numbers, and e-mail addresses are listed on the Registration Information/Degree Audit form.

Registration—Graduate

The spring 2005 on-line registration and drop/add period for all graduate schools, except for the Graduate School of Social Work (GSSW), begins on November 11 and continues through January 26, 2005 at 11:00p.m. GSSW registration for spring begins on November 15 at 7:00 p.m. and closes Friday, December 3, at 5:00 p.m.

Students in these schools who add courses after December 15 will be charged the \$15.00 registration fee.

Doctoral Continuation—Students registered for Doctoral Continuation in the fall will be registered for the spring unless they graduate in August or December. Students whose departments require permission need to obtain an override for Doctoral Continuation and process it in the Office of Student Services.

Special Students—Graduate students including those using teaching vouchers who are not currently in a Boston College degree program and who want to take graduate level courses must apply as special students to the appropriate graduate school.

Graduate students using LSOE teaching vouchers should see Patricia O’Kane in the Graduate Admissions Office, Campion 103.

Closed and Restricted Courses

Courses that are restricted by school, degree, or major are marked with an asterisk (*), and the specific restrictions are printed underneath. Students who want an override into a closed or restricted course should go to the department offering the course. The department will either decline the request, add the course to your schedule, or give you an override to be processed in the Office of Student Services.

The override form must be stamped in the appropriate section: *Open/Restricted* overrides school, major, degree, and department restrictions; *Override for a Closed Course* overrides all restrictions and size limits for closed courses; *Approval for Time Conflict* overrides a corequisite or allows you to be registered for two courses that conflict in time.

You cannot process overrides through *U-Dial* or *U-View Plus*.

Course Schedule Information

You can search the listing of BC’s course offerings as follows:

- *U-View Plus*
- *Agora—Schedule of Courses*

- Courses link on the Academic Services page (<http://www.bc.edu/courses/>)

You may also download a PDF version of the current *Schedule of Courses* from the Student Services home page.

Degree Audits—Undergraduates

Degree Audits are computer-generated analyses that match the courses you have taken with the requirements for your degree program or for an anticipated program. Student Services provides students with degree audits either by mail or through their advisor prior to each registration.

You can also request a degree audit or a simulated degree audit (shows requirements for different majors and minors) from Agora and download it to your computer, or e-mail it to your account. Review your audit carefully in consultation with your advisor before you register.

If a course on your degree audit is not being counted correctly because of a system error, contact your Academic Recorder (A&S: Mary McCrosson, CSOM and CSON: Terri Rezzuti, and LSOE: Kristen Siddell). If you want a course to count for a requirement that it does not usually fulfill, obtain a *Degree Audit Course Substitution and Waiver* form from Student Services and take it to the department for approval. Return the form with the appropriate stamp to the Office of Student Services for processing.

Overloading

Students who have earned at least a 3.0 overall average in a full course load or a 3.0 average in the semester immediately prior to the one for which the overload is sought may register for a sixth course. Students should register on-line for the sixth course during the first week of class and must notify the Associate Dean by the sixth week of classes whether they wish to drop the course.

Students whose averages are between 2.0 and 3.0 may, under exceptional circumstances, be allowed by an Associate Dean to enroll in a sixth course. Students are not permitted to take a sixth course in their first semester at Boston College.

A&S, CSOM, and CSON students who maintain a 3.0 GPA may add a sixth course on-line (up to 20 credits) during the first week of classes.

Withdrawing from a Course or from the University

The last day to withdraw from a fall course with a “W” or to withdraw from the University is November 29, 2004. Any spring course dropped after January 26 will be recorded as a withdrawal.

Students will not be permitted to drop courses during the last two weeks of classes or during the exam period. Students are still registered at this point and will receive a final grade for the course. To withdraw from a course or from the University, see your Dean.

Woods College of Advancing Studies (WCAS)

WCAS designates a limited number of courses that are available to full-time undergraduate day students. Eligible students are limited to one WCAS course each semester. Freshmen may not enroll in any WCAS courses.

For the spring semester, students can sign-up for WCAS courses beginning at 8:00 a.m. on the day of their registration appointment time. There are a limited number of seats in each course, and they are distributed on a first-come, first-served basis. Check with the WCAS office on the first day of classes in January to see if additional seats are available.

General Information

Audits

Undergraduate

Undergraduate students may not audit a course with the exception of undergraduates in WCAS.

Graduate

Students in GSA&S and CGSON may register for an audit on-line. CGSOM, GSSW, Law School, and LSOE students must consult the Associate Dean’s Office before they can audit a course. WGCAS students may not audit courses.

After January 26, graduate students who wish to change a course from credit to audit or audit to credit must go to the Associate Dean’s Office and complete a Graduate Course Exception form. Students in the Carroll School of Management may change a course from credit to audit but not audit to credit.

If you drop an audit before January 26, you will receive 100% refund. You may not drop an audit after January 26. There is no cancellation of tuition for a course changed from credit to audit.

Credit Variation

If you need to change the number of credits for a course, pick up a Graduate Credit Variation form from the Office of Student Services. Have the form approved by the Associate Dean’s Office and return it to Lyons Hall by January 26. After January 26, bring the form to the Office of Student Services and pay for the additional credits.

Cross Registration

Boston Theological Institute

Students who want to cross register through the Boston Theological Institute (BTI) should pick up a cross registration petition in Lyons Hall and return it with an authorization by the appropriate date. Students are expected to consult with their advisor or department chairperson before cross registering. Graduate Theology majors may take up to half of their courses through BTI.

The following colleges and universities participate in the BTI cross registration program.

- Andover Newton School of Theology
- Boston University School of Theology
- Episcopal Divinity School
- Gordon-Conwell School of Theology
- Harvard Divinity School
- Holy Cross College (Greek Theology School)
- St. John’s Seminary
- Weston School of Theology

The Consortium

Under a program of cross registration, sophomores, juniors, and seniors may take one elective course during each semester at Boston University, Brandeis University, Hebrew College, Pine Manor College, Regis College, or Tufts University if a similar course is not available at Boston College. A description of cross registration procedures and the authorization form are available in the Office of Student Services, Lyons Hall.

Graduate students, except Law students, may cross register for one course each semester at Boston University, Brandeis, and Tufts. M.B.A. students are not permitted to register at Brandeis University, and students in the Graduate Finance Program are not allowed to cross register at any of the universities. Cross registration materials are available in Lyons Hall.

Law School students may cross register for classes only at Boston University Law School and only if the course they wish to take at BU will not be offered at any time during the current academic year. Students wishing to cross register must see the Director of Academic Services for permission.

The Graduate Consortium in Women’s Studies at Radcliffe is an inter-institutional enterprise established to advance the field of women’s studies and enlarge the scope of graduate education through new models of team teaching and interdisciplinary study. Faculty and students are drawn from six member schools: Boston College, Brandeis, Harvard, Northeastern, MIT, and Tufts. Graduate students enrolled in degree programs at Boston College may take GCWS seminars with department permission and should follow the cross registration procedures described under Consortium.

Graduate School of Social Work

Under a program of cross-registration, juniors and seniors matriculated in the B.S.W. Program at Regis College and Sociology and Psychology majors at Stonehill College may take selected courses in the Graduate School of Social Work. For more information, see the Assistant Dean for Academic and Student Services in the Graduate School of Social Work.

Dropping, Adding, or Changing a Major

Students who want to drop, add, or change a Biology, English, Mathematics, Romance Languages and Literatures, Sociology, or Theater major or an Environmental Studies minor, must see the department chairperson. Juniors and seniors who want to declare a Communication major must also see the department chairperson. For all other majors, go to Lyons Hall 101.

E-Mail

Student Services uses e-mail as their preferred means of contacting students.

E-mail accounts are automatically created for all full-time undergraduates and all graduate students. To view your e-mail address, log on to Agora at <http://agora.bc.edu/>. You will need your username and password to access your account. Select *U-View* from the pull down menu and click on E-Mail Address. Your e-mail address will be displayed. From this screen you may also forward your BC account to another e-mail account.

All notifications from the Office of Student Services are sent to your BC account.

Graduation Information

Diploma Names

All graduate and undergraduate students who plan to graduate on December 30, 2004, should confirm their diploma name on-line at <http://agora.bc.edu> by December 1. The deadline for all May graduates to confirm is January 26. Select View/Edit Diploma Name from your Agora services menu.

Graduation Dates

Boston College has three graduation dates—August 30, December 30, and May (date varies yearly). If you believe that you have completed all of your degree requirements as of the end of the previous semester and should have graduated, contact your Academic Recorder (listed below).

- A&S: Mary McCrosson, 617-552-4974
- CSOM, CSON, CGSON, Law, WCAS, WGCAS: Terri Rezzuti, 617-552-4984
- CGSOM, GSA&S, GSSW, LSOE: Kristen Siddell, 617-552-4979

Immunization Requirement

Both graduate and undergraduate students registering at the credit levels listed below are required to comply with Massachusetts General Laws (the College Immunization Law):

| | |
|------------------------------------|------------|
| Carroll School of Management | 9 credits |
| College of Arts and Sciences | 9 credits |
| Connell School of Nursing | 9 credits |
| Law School | 12 credits |
| Lynch School of Education | 9 credits |
| School of Social Work | 9 credits |
| Woods College of Advancing Studies | 12 credits |

The College Immunization Law requires proof of the following immunizations:

- 1 Tetanus-Diphtheria Booster: Within the past ten years
- 2 Measles Immunizations: Dose 1 must be after the first birthday and dose 2 must be at least one month after the first dose
- 1 Mumps Immunization: Immunized with vaccine after the first birthday
- 1 Rubella Immunization: Immunized with vaccine after the first birthday

Effective September 2001, all full-time freshmen must show proof of having received three doses of the hepatitis B vaccine.

If proof of immunization for measles, mumps, and/or rubella is not available, a blood Titer showing immunity will be accepted.

Students who fail to provide proof of immunization within thirty days of the start of classes will be charged a \$50.00 administrative processing fee. The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

Internal Transfer

Matriculated students wishing to transfer from one undergraduate college to another within Boston College should contact the Associate Dean’s Office of the school to which admission is sought. Students may apply at the end of their freshman year.

Students applying for internal transfer will ordinarily be expected to have a cumulative average of at least 3.0 with no deficiencies. All students must complete at least 3 (4 in CSON and LSOE) semesters of full-time study after the transfer. Previous enrollment will not satisfy this requirement.

Applications are normally submitted to the Associate Dean by the last class day of the previous semester.

Loan Certification

The National Student Clearinghouse will process deferment forms for spring 2005 after January 26 in accordance with Federal regulations. If you need an enrollment certification for deferment of a student loan, mail the forms to the following address: Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467 or stop by Lyons 101. Your deferment form will be forwarded to the National Student Clearinghouse. If the enrollment certification does not require an official school seal or signature, you may process the certification on-line at <http://agora.bc.edu/>.

Graduate Full-Time Enrollment Status

- Graduate full-time enrollment is as follows:
- Carroll Graduate School of Management 9 or more credits
 - Connell Graduate School of Nursing 9 or more credits
 - Graduate School of Arts and Sciences 9 or more credits
 - Graduate School of Social Work 9 or more credits
 - Law School 12 or more credits
 - Lynch School of Education 9 or more credits
 - Woods College of Advancing Studies 12 credits

Students completing degree requirements in their final semester may be given exceptions to the school minimum credit standard for full-time status by their academic dean.

All students are considered half-time with 6 credits.

The credit amounts listed are used to determine a student’s enrollment status for loan deferments, immunizations, medical insurance requirements, and verifications requested by other organizations.

All enrolled doctoral students in the Graduate School of Arts and Sciences and in the Carroll Graduate School of Management are considered full-time. Graduate students, excluding Graduate School of Social Work and Law School students, registered for less than a full-time course load may be considered full-time if they are Graduate Assistants for academic departments, Teaching Fellows, or Research Assistants. Graduate students are considered full-time if they are enrolled in a full-time Student Teaching Practica or Internship. Graduate students registered for Interim Study, Thesis Direction, Doctoral Comprehensives, Qualifying Exam (School of Social Work), or Doctoral Continuation are considered full-time.

Courses also flagged as full-time are BI 801, EC 900, EC 901, HS 997, LL 856, NU 901, NU 902, SW 929, SW 939, SW 944, SW 995, SW 996, and SW 997.

Mailing Address Update

Undergraduate and graduate students can change their local, home, or parents’ addresses and telephone numbers on-line at <http://agora.bc.edu/>. Be sure to update your local address for next semester to insure that you receive important mailings concerning registration, graduation, grades, and housing. The Dean of Students needs your local address in case of emergencies.

Pass/Fail Electives—Undergraduate

Sophomores, juniors, and seniors may enroll in a non-major or non-Core course on a pass/fail basis anytime during the registration period. Pass/fail choices cannot be made subsequent to the drop/add period.

No more than one pass/fail course may be taken in any semester. No student may take more than six pass/fail courses for credit toward a degree.

Any language courses taken before the language proficiency requirement is fulfilled may not be taken on a pass/fail basis.

No student may take CSOM or WCAS courses on a pass/fail basis. No CSOM student may take an A&S requirement (including Core or CSOM curriculum requirements) pass/fail.

Pass/Fail Electives—Graduate

Field Education in GSSW is graded on a pass/fail basis. A pass/fail option is available for a limited number of other courses when approved by the Associate Dean’s Office. A “P” has no effect on the GPA, but if the student fails the course, the “F” is calculated into the GPA. CGSON students enroll in NU 901 and NU 902 on a pass/fail basis. Students in the Law School may not take courses pass/fail unless the entire course has been designated a pass/fail course. IREPM students should contact the Institute of Religious Education and Pastoral Ministry. Students in CGSOM, GSA&S, LSOE, and WGCAS may not take courses counting toward the degree pass/fail.

Confidentiality of Student Records

Certain personally identifiable information from a student's education record, designated by Boston College as directory information, may be released without the student’s prior consent. This information includes name; term, home, local, and electronic mail addresses; telephone listing; date and place of birth; photograph; major field of study; enrollment status; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; school/college of enrollment; anticipated date of graduation; degrees and awards received; the most recent previous educational agency or institution attended; and other similar information.

Electronic access to selected directory information is available to both the Boston College community and the general public. A student who so wishes has the right to prevent the release of all directory information including verification of enrollment, or to suppress selected directory information. In order to do so, students must enter privacy preferences in Agora, Boston College’s secured intranet environment (<http://agora.bc.edu/>). This must be done by the end of the first week of enrollment. Suppression is available by selecting *U-View* and *Privacy Preferences*. All nondirectory information is considered confidential and will not be released to outside inquiries without the express written consent of the student.

Disclosures to Parents and Students

When a student reaches the age of 18, or attends a postsecondary institution regardless of age, FERPA rights transfer to the student. Guidelines for the disclosure of information to parents are as follows:

- Parents may obtain directory information at the discretion of the institution.
- Parents may obtain nondirectory information (e.g., grades, GPA) at the discretion of the institution, and after it is determined that the student is legally dependent on either parent.
- Parents may also obtain nondirectory information if they have a signed consent from the student.

Geology

GE 170 Rivers and the Environment (Spring: 3)

Fulfills core requirement

Scientific understanding of rivers is vital to address many of today’s environmental challenges. Rivers transport and distribute water, sediment, nutrients and contaminants throughout the landscape. They provide habitat and migration pathways for countless

aquatic species. Rivers supply fresh water, power generation and recreational opportunities to much of the world’s human population. In this course we will learn about the geological, hydrological and biological processes that are important to rivers and watersheds, and how knowledge of these processes aids our ability to manage, protect and restore these systems. Case studies will include the development and restoration of New England’s rivers and the effects of dams on the Colorado and Columbia rivers in the western United States. Finally, we will explore how the health of salmon populations is linked to the diverse interplay of river processes.

Philosophy

PL 502 American Pragmatism (Spring: 3)

Pragmatism is the most distinctive philosophical movement to arise on American soil. Its origins can be traced to a post Civil War discussion group called the Metaphysical Club whose members included Charles Peirce, William James, Oliver Wendell Holmes, Jr., and a number of other distinguished thinkers. Their influence extended to many fields well into the twentieth century. In this class, we will consider pragmatism as a theory of meaning, a philosophy of science, and a political theory that places an ongoing human community at the center of the quest for knowledge. Readings will include excerpts from the work of Emerson, Bowen, Peirce, James, Holmes, Royce, and Dewey.

Requirements: A short (approximately two pages) reflection paper each week, a class presentation, and a final exam.

SL o84.15 Literatures of the World: Boundaries of the Self (Spring: 3)

Cross listed with EN o84.15

Satisfies Literature Core Requirement

All readings in English translation

Writers often find themselves compelled to describe their path toward an understanding of the self, or they pursue self-realization through the very process of writing. In varied autobiographical writings of the 20th century, we examine the terms according to which the self might be defined (e.g., faith, nationality, class, gender) and the way in which the "chaos of meaning" of post/modern life can “make sense.”

Theology

TH 330.01 Majors Seminar: The Ethics of Reinhold Niebuhr (Spring: 3)

This course will examine the ethical thought of one of the giants of American Protestantism in the twentieth century. Niebuhr was the religious thinker who had more influence upon public life than any other theologian of his time. His theory of “Christian realism” gained adherents not only in the churches and universities but also within the corridors of government. His ethical theory contains many insights about the use and abuse of power.

The seminar will be organized around a body of common readings as well as presentations led by the instructor and seminar members. The aim of the course will be to enter sympathetically into the world-view of Niebuhr so that students will be able to "think along with Niebuhr" as they reflect upon issues today.

Kenneth R. Himes, O.F.M.

TH 419 Orthodox Christian Spirituality (Spring 03)

This course is sponsored by a grant from the Alexander S. Onassis Public Benefit Foundation

Lisa Cahill

TH 796 Catholic Systematic Theology II: The Theological Aesthetics of Hans Urs von Balthasar (Spring: 3)

Systematic Theology seeks to develop deeper insight into the salvific meaning and truth of Christian faith. TH 795 is not a prerequisite for this course.

Although all modern history courses cover a common list of topics, they otherwise vary significantly. Students are very strongly advised to read the course description in the catalog or on the web page before they enroll in a particular core course.

University Courses and Capstones

No student may take more than one Capstone seminar during his/her undergraduate years. Thus, you may not take two Capstone courses in one semester or two different semesters. This is true whether the course is listed under UN numbers, or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.

U-View Plus

TN3270 on the IBM or Macintosh

TN3270 is a software tool that allows your networked IBM or Macintosh to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

To download TN3270, you will need your username and password. You may download this program from our download center at <http://www.bc.edu/software/applications/telnet/>.

To register for courses using UIS, start a TN3270 session by clicking through the following: **Start, Programs, Eaglenet, TN3270.**

The TN3270 program has been configured to open automatically to BC’s *University Information System* (UIS) screen. If a login window does not open up when you start the application, try “Choose Options” from the Setup menu. Type BCVMCMS.BC.EDU in the Default Host box and click on the OK button. The UIS Login screen will appear.

- Enter your username and password.
- To register for courses, type 2 for UIS. Choose 06 for U-View Your BC Records, 2 for Student Information, and then “R.”
- Enter the 4-digit index number at the left of the course (ex: 9749) or the 5-digit course code (ex: RL21504). Hit enter. If the course is available, you will be given the following options:
Done: To update your schedule and exit
Save: To update your schedule and continue
Back: To retrieve your schedule thus far
Choose one and type it on the line underneath your last course. If you have not finished registering for courses, be sure to “Save” often, so you do not lose your seat in any of your course selections.
- To log off from the registration screen, type “Done” and then follow the instructions on each subsequent screen. Exit the registration transaction completely and then reenter to ensure that you have registered successfully for all your courses.

Search Features

Use the “Browse Courses” screen to search for all (a) or open (o) sections of a course or to search by course title. From the registration screen, type “?” over the course to find open or all sections of that course or type “?” on a blank line and then the department abbreviation (ex: BI). Check course status to determine if it is open or restricted.

If you want a particular section, enter the number on the upper left-hand side of the Browse Courses screen and then press enter. Type “R” to return to the registration screen without making a selection.

Problems/Error Messages

If any of the error messages listed below appear next to a course, then it is not available:

- **Corequisite:** You need to add the course’s corequisite to your schedule. The options for the corequisite are listed at the bottom left of the screen. Choose one and then type the index number on the next available line.
- **Course Closed:** There may be no seats left in the course or the department may be holding seats or sections of courses so they are unavailable during certain periods of registration.
- **Department Permission:** Some courses including all graduate courses may be available to undergraduates with department permission only.
- **Duplicate Course:** You may have listed two sections of the same course.
- **Invalid Index:** You have entered an incorrect index number. Search “Browse Courses” on-line or the printed *Schedule of Courses* for the correct number.
- **Restricted:** Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), by major (e.g., For Economics Majors Only), or by class year (e.g., For Freshmen Only).
- **Time Conflict:** You have listed two courses that are scheduled at the same time or overlap a period of time.

You will not be able to add a course or save your schedule unless you resolve the problem or remove the course from your schedule.

Modem Setup

- In your communications package, set your modem speed to the speed rated for your modem. The other settings remain the same: 8 bits, no parity, hardware handshake or flow control. Error correction should be turned off.

- Use your communications software (e.g., Mac Terminal, ZTerm, Reflection, ProComm, YTerm) to dial the modem pool number: 1 617 552 2790. Use SPACES to separate the numbers.
- When asked for a host name, enter BCVMCMS.BC.EDU.
- Press <RETURN>. On the blank line under Please enter a terminal id; prompt. Type 1 for VT100, unless you know that your machine is otherwise.
- The BC screen will appear. Type your username on the Enter your Username, Eagle Number...: prompt and press <RETURN>. (You can use any of the listed options.)
- Tab once and type your password on the Enter Your Password: prompt and press <RETURN>.
- You are now at the APPLICATION MENU screen of UIS. Select the application you wish to use (e.g., UIS, QUEST) and type its corresponding number on the SELECTION=> prompt and press <RETURN>. (For *U-View*, type 1 on the UIS system.)
- You are now at the System menu for UIS. Your options will vary. Type the number for *U-View* (or other service) on the ENTER SELECTION line and press <RETURN>.
- Select “R” to register.

Logging Off

- If you are using UIS mail, return to its main menu. Type L on the ENTER YOUR CHOICE line and press <RETURN>.
If you are using *U-View*, return to its main menu. Type L on the TYPE SELECTION HERE...> line and press <RETURN>.
- The APPLICATION MENU screen will appear. Type L on the SELECTION=> line and press <RETURN>.
- You are now at the BC screen. Type “Y” on the Enter “Y” to disconnect: prompt and press <RETURN>.
- At the Type “C” Servername prompt, type logf to disconnect.
“C” option on *U-View Plus* (View Courses) can access both fall and spring courses.

U-Dial

- Call the Boston College Voice Response Unit at 617-552-8800. If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your **Eagle Number** or your **Social Security number**.
- Enter your 5-digit **Personal Identification Number (PIN)**.
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose one of the following transactions:

TO ADD A COURSE: If you wish to **add** a course, press **1** when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.

TO DROP A COURSE: If you wish to **drop** a course, press **2** when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.

TO ADD AND DROP A COURSE: If you wish to **drop** one course and then **add** one course, press **3** when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will *not* complete the drop *unless* you successfully add one course in its place; therefore, you shouldn't worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).

TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is **open**, press **4** when prompted to do so. Then follow the instructions to check the status of the course.

TO LIST COURSES: Press **5** to hear the courses you are currently registered for or to confirm your transaction(s).

TO END CALL: Press **9** to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. **If you make a mistake at any time, press * to start over.**

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

| Problem/Message | Probable Solution |
|---------------------------|--|
| 1. Can't access system | Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning. |
| 2. System not available | You're calling outside the hours of 8:00 A.M. to 11:00 P.M. seven days a week. Please call during <i>U-Dial</i> hours. Another possibility is the system is experiencing unscheduled downtime. Please call back in 15 minutes. |
| 3. Busy signal | The system's incoming telephone lines are all in use. Try again later. |
| 4. System does not answer | The Voice Response Unit is not functioning. Try again later. |
| 5. Wrong ID | Check to make sure that you are inputting your Eagle or Social Security number correctly. |
| 6. Wrong PIN | Check to make sure that you are inputting your PIN correctly. |

7. Wrong index numbers

Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the *Schedule of Courses* for index numbers.

8. Time conflict message

Check the *Schedule of Courses* or the Course Status List available on *U-View Plus*. If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.

9. The course you want is:

- a sixth course

Students in A&S, CSOM, and CSON who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

- restricted to a major or school

You must get the appropriate departmental approval to be allowed to override these restrictions.

- closed or requires department

For these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to **Lyons 103 by 4:30 P.M. on January 26.**

If the above does not resolve your problem or if you have a difficult problem, call 617-552-3300 during normal business hours, Monday-Friday 9:00 A.M. to 4:30 P.M.

Connecting to UIS via an Eaglenet Connection

TN3270 on the IBM

TN3270 is a software tool that allows your networked IBM to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

Starting TN3270

Double-click on the TN3270 icon. It is located in the **PC/TCP Applications** window located in your Program Manager.

Logging on to UIS

- Once you have double-clicked on the TN3270 icon, you will see the **Open** dialog. If this is your first time using this program, the **Sessions Available:** box will be blank.
- NOTE: The programs TNVT and TN3270 use the same dialogs, so if you save a session in TNVT and then open TN3270, you will see it in the Sessions Available box as well.**
- Click on the **Cancel** button. You will now see a blank screen. **Choose New...** from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the Connect button.
- You will see a message, *Trying to connect to bcvmcms.bc.edu then Entering 3270 mode* in the lower left corner of your screen. The BC screen will now appear. Follow the on-screen instructions.

If you do not know your username, consult your *Communications Directory*.

If you have forgotten your PIN (Personal Identification Number) or password, you must go to the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will reset it for you.

Saving a Session

(“shortcuts” to connect to a host)

Boston College’s University Information System (UIS) is being used for this example. You can save any other session to any other host in the same way.

- Open** a connection to UIS or any other Host computer.
- Once you are through, log out of UIS as you normally do. **Choose Close** from the Session menu.
- You will now see the **TN3270** dialog asking you if you want to save this session. **Click** on Yes.
- You will now see the **Save As** dialog box. Type **UIS** or **bcvmcms** (matter of preference) in the **New Session Name** box. **Click** on the **Save** button.

Opening an Existing Session

(using “shortcuts”)

- Double-click** on the TN3270 icon if you are not logged in, or **choose Open** from the **Session** menu if TN3270 is already open. You must close a current session to open a new one.
- You will now see the **Open** dialog box. You should see UIS or bcvmcms (depending on what you named it) in the **Sessions Available:** box.
- Click** on the name to highlight and **click** on the Connect button. You should now see the BC screen.

Quitting TN3270

- Log out** of whatever system you are currently connected to.
- Choose Close** from the **Session** menu.
- Choose Exit** from the **File** menu. You will be asked if you want to save the session. If you have already saved a session document for UIS, or any other Host computer, **click** No.

Telnet Users

- Choose New...**from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the **Connect** button.

TN3270 on the Macintosh

TN3270 is a software tool that allows your networked Macintosh to establish “terminal sessions” with IBM mainframe computers such as the Boston College UIS or QUEST systems in order to access *U-View* or Quest.

Starting TN3270

- Double-click** on the TN3270 icon.

Logging on to UIS

- Choose *Open Connection* from the **File** menu.
- Type **BCVMCMS.BC.EDU** in the **Session name** box and click on the OK button.
- The UIS Login screen will appear. Type your username and the <TAB> key. If you do not know your username, consult your *Communications Directory*. (Your username is on the last line of your personal information before the colon.)

Ex: USERJOE:USERJOE@HERMES.BC.EDU; USERJOE is the username.
- Type your password at the Password: prompt and press <RETURN/ENTER>.

If you have forgotten your PIN (Personal Identification Number) or password, you must go to the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will reset it for you.
- You are now at the main screen of BC’s UIS system.**

Shortcut to UIS

- If you mainly log on to BC’s UIS System, you can automatically advance to the login screen and skip the Open Connection and Session name boxes.
- Within the TN3270 folder, you will see two documents: “UIS System/Color” and “UIS System/B&W.” If you double-click on either of these documents, you will immediately advance to the Username: prompt.
- If you have a color monitor, double-click on the “UIS System/Color” icon. If you have a black and white (or ‘greytone’) monitor, double-click on the “UIS System/B&W” icon.

Telnet Users

- To make a connection, **choose Open Session** from the File menu. Type **BCVMCMS.BC.EDU** as the Session name.
- Click** OK.

Massachusetts Medical Insurance

Commonwealth of Massachusetts Law has mandated that all students, graduate and undergraduate, taking at least 75 percent of full-time credit hours must be covered by medical insurance providing a specified minimum coverage. Determination of whether or not a graduate student is required to enroll in the insurance program is based strictly on the actual number of credits for which the student is registered each semester.

Listed as follows are 75 percent of full-time hours for the graduate schools: CGSOM, CGSON, GSA&S, GSSW, LSOE—register for 7 or more credits. WCAS—register for 9 or more credits.

All doctoral and international students will automatically be charged for the Boston College Medical Insurance regardless of credit hours unless a waiver is submitted showing comparable insurance. Boston College will offer all students—graduate and undergraduate—the option of participating in the plan offered at the University or of submitting a waiver. The details of the University’s insurance plan are available on the *U-View* system or on the web at <http://agora.bc.edu/>.

Students may waive the BC insurance plan by completing the electronic waiver form on *U-View* or on the web. Students under the age of 18 are required to submit a written waiver form with the signature of their parent/guardian. This form is available for download at <http://www.bc.edu/studentservices>. The waiver must be completed and submitted by February 7,2005 for spring semester. Students who do not complete a waiver by the due date will be enrolled and billed for the BC plan. All part-time bachelor and master’s students, including those registered for Master’s Interim Study, who wish to purchase health insurance must enroll directly with the insurance company. The part-time enrollment form is available at the Boston College Health Services department in Cushing Hall, at Koster Insurance Company, or on the web at <http://www.bc.edu/studentservices/>. The coverage becomes effective upon receipt of the application and payment by the insurer if received after January 15, 20005. Students who drop courses after registration may lose their insurance coverage if they do not meet the minimum credit requirements listed above.

Withdrawals and Refunds

Fees are not refundable.

Tuition is cancelled subject to the following conditions:

- Notice of withdrawal must be made in writing to the Dean of the student’s school.
- The date of receipt of written notice of withdrawal by the Dean’s Office determines the amount of tuition cancelled.

The cancellation schedule as published in the University catalog will apply to students withdrawing voluntarily, as well as to students who are dismissed from the University for academic or disciplinary reasons.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4:00 P.M. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 P.M. or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 P.M. or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4:00 P.M. class would be held Tuesday at 4:00 P.M. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: the Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (617-552-4636). For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 617-552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 P.M. or later), the instructor teaching the course outside of the standard time blocks (8:00 A.M.-3:00 P.M.) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.
